REPORT OF THE EVENTS ORGANIZED BY BRANCH CHAPTER OF INFORMATION TECHNOLOGY ON 26th & 27th OF NOVEMBER 2022

On the occasion of the Diamond Jubilee celebration of College of Technology, GBPUAT, Pantnagar; PLEXUS, the Branch Chapter of the Department of Information Technology successfully organised two events. Viz. Hackathon: The Technical Quiz, and, e-Battleground: The Online Gaming Event. These events were organized on the 26th and 27th of November 2022 in the Department of Information Technology, College of Technology, GBPUAT, Pantnagar. These events were planned and executed under the supervision of Dr. Subodh Prasad, Assistant Professor ITD as well as staff counsellor ITD, and Head ITD Nomi. Dr. Ajit Kumar. These event has been successful only with the guidance of the our Honourable Dean Madam, Prof. (Dr.) Alaknanda Ashok.

DAY 1 – Hackathon- The Technical Quiz

The Technical Quiz was organised on 26 November 2022 in the Information Technology Department. At 10 a.m. all students of IT second year, third year and final year were present along with the professors of the department. After the inaugural, pictures of the students and professors were clicked.

The participants were registered from various colleges of the University. At 11:00 a.m. the registered students in the quiz were allocated the respective rooms and were provided with proper directions for the quiz by the team of organizers. After settling and instructing all the participants the quiz began at 11:30 a.m. and continued up-to 12:30 p.m. The link for the quiz was provided to the registered participants through e-mails. There were 60 questions related to technology and general aptitude. Students actively participated in the quiz. At 1:00 p.m. the quiz ended.

The event was honoured with the presence of professors from various departments of the College of Technology. It became a success under the able guidance of Dr. Subodh Prasad, Assistant Professor ITD as well as staff counsellor ITD, and Head ITD Nomi. Dr. Ajit Kumar.

Following are some pictures of various faculty members who joined the event that day.

DAY 2- e-Battleground: The Online Gaming Event

e-Battleground: The Online Gaming Event: Battle Ground Mobile India tournament was organized by the students of IT department under the supervision of Dr. Subodh Prasad, Assistant Professor ITD as well as staff counsellor ITD, and Head ITD Nomi. Dr. Ajit Kumar. Thirteen teams, comprising students from various colleges participated in this event. Each team consisted of four members. The teams were allotted numbers and were seated in the two classrooms of IT Department. The final event started around 11 am with participants playing along their team members. It was a 45 minutes game at the end of which the winning teams were found out. The tournament was smoothly conducted under the able guidance of Dr. Subodh Prasad, Assistant Professor ITD as well as staff counsellor ITD, and Head ITD Nomi. Dr. Ajit Kumar. Following are some pictures of the event that day.

Following students of the Department of Information Technology helped in the smooth conduction of the event:
