

1 UK AIR SQN.NCC

Pantnagar

About Us

1 UK Air Sqn. NCC was raised at Pantnagar in 2008 as the first air squadron in the (UK) Uttarakhand Directorate. The main office is located at the Stevenson Stadium GBPUA&T, Pantnagar with a technical office subordinate to it located at Aeromodelling section, Pantnagar.

The commanding officer has been playing the role of a guiding institution and provides vision for execution of motto of NCC "UNITY AND DISCIPLINE" with the present responsibility on the shoulders of Grp. Capt. A.K Chauhan with support of a Posted Instructional (PI) Staff which provides training to cadets.

GBPUA&T Pantnagar -Sub-unit

G.B. Pant University of Agriculture and Technology, Pantnagar is a sub-unit of 1 UK Air Sqn. NCC.

The intake is from the students of colleges of the university. It has a strength of 52 cadets who are given NCC training under the guidance of Dr. Ajeet Pratap Singh, Caretaker officer (CTO) of the sub-unit.

a) Physical Training

The cadets are given physical training to build endurance, strength and flexibility. Health runs, PT and body weight exercises are part of this training

b) Drill

It is the bedrock of discipline, cadets are taught proper dressing, turnout and movements.

- **Weapon Drill**

It is performed using self-loading rifle (SLR's)..

c) Weapon Training

- **0.22" Shooting**

It is performed using Mark-IV gun.

- Grouping
- Snap

- **Skeet Shooting**

In skeet shooting ,cadets are supposed to attempt to break clay targets which two fixed stations mechanically fling into the air at high speed and at a variety of angles using a double barrel shotgun.^[1]

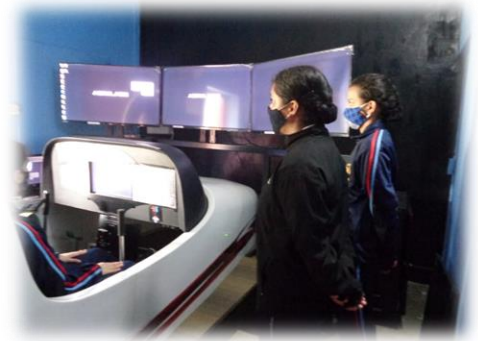

d) Microlite

Cadets get an opportunity to fly in a microlite aircraft VIRUS SW-80.1 UK Air Sqn. NCC has two microlite.

➤ **Simulator**

- The unit has VIRUS aircraft's simulator training section at Technical office.

e) Aeromodelling

Cadets deal with design, development and flying of small engine powered aircrafts. Air wing gives an opportunity to pursue this expensive hobby to cadets.

➤ **Radio Control (RC)**

RC models can fly and are controlled using transmitter.

➤ **Control Line**

➤ **Static**-These are scaled-down plane models

that cannot fly. These models are mainly constructed using plastic, metal, wood or paper.

f) Tent-Pitching- Cadets are trained to set up a tent during camping.

g) Personality Development- Group discussion and public speaking classes are organized for personality development of cadets.

Social Awareness campaigns and activities

International Yoga Day The United Nations (UN) has declared 21st June as the International Day of Yoga. As per the Honorable Prime Minister's directions, NCC cadets across the Nation have to participate in this event. As directed, our NCC Air Wing organized the Yoga Day program for Air Wing cadets, 52 cadets participated and got benefited.

“Swachh Bharat” and “Har Ghar Tiranga” Campaign

A national cleaning drive under the title “SWACHH BHARAT CAMPAIGN” was being conducted in the university campus to bring awareness and clean the campus. NCC Air wing cadets actively participated in it.

University Events NCC Air wing cadets have actively participated in the Independence Day, Republic Day celebrations and University Athletics Meet 2022. They always come up with a social theme on events of national importance like Teachers Day, Vijay Diwas.
