**Step 2** – Select the student option.

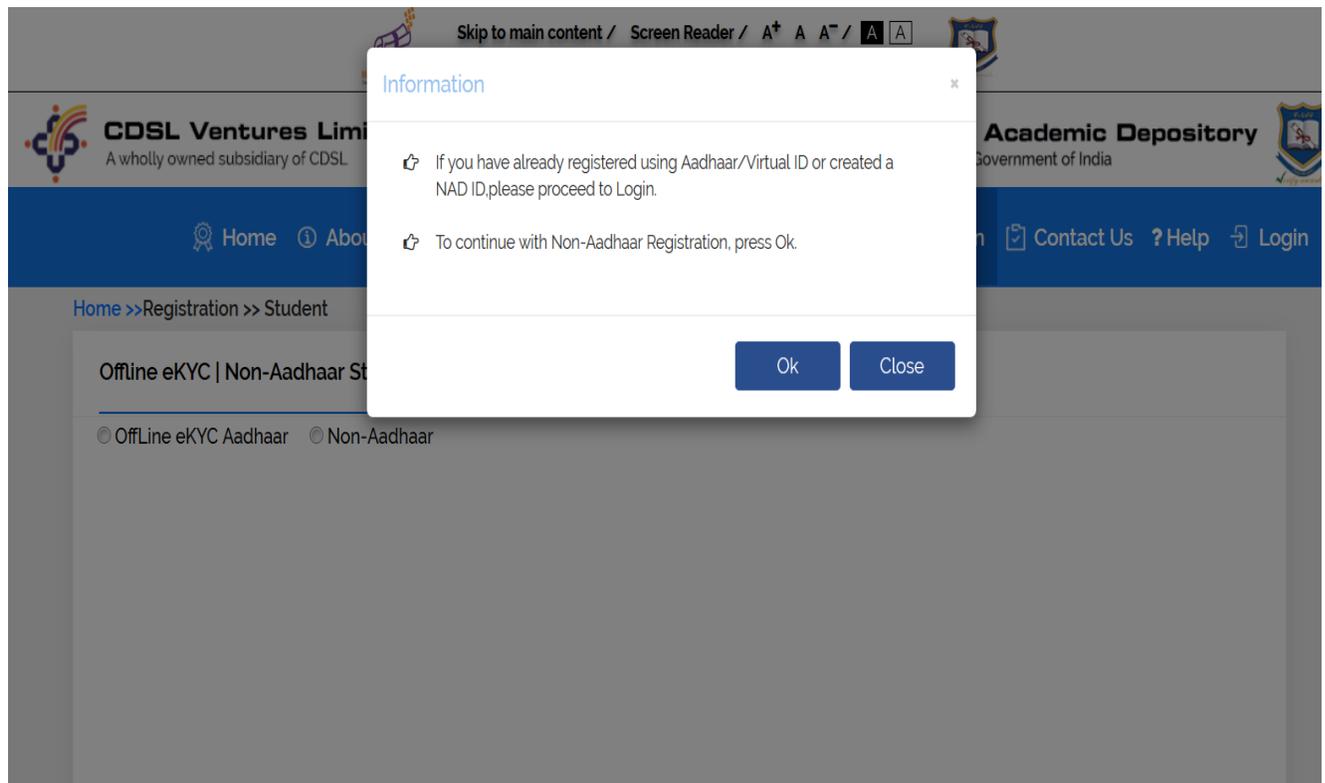

**Step 3** – Select the Registration option.

There are two types of student registrations:

- (I) Offline eKYC Aadhaar (if you want your Aadhaar to be linked to NAD repository)
- (II) Non-Aadhaar (if you don't want your Aadhaar to be linked to NAD repository)

**Step 4-**Following Screen will appear after the option is selected:

**Step 5-**Enter your details:

The screenshot shows the "Student Registration" form on the CDSL Academic Depository website. The form is for "Non-Aadhaar" registration. It includes the following fields and options:

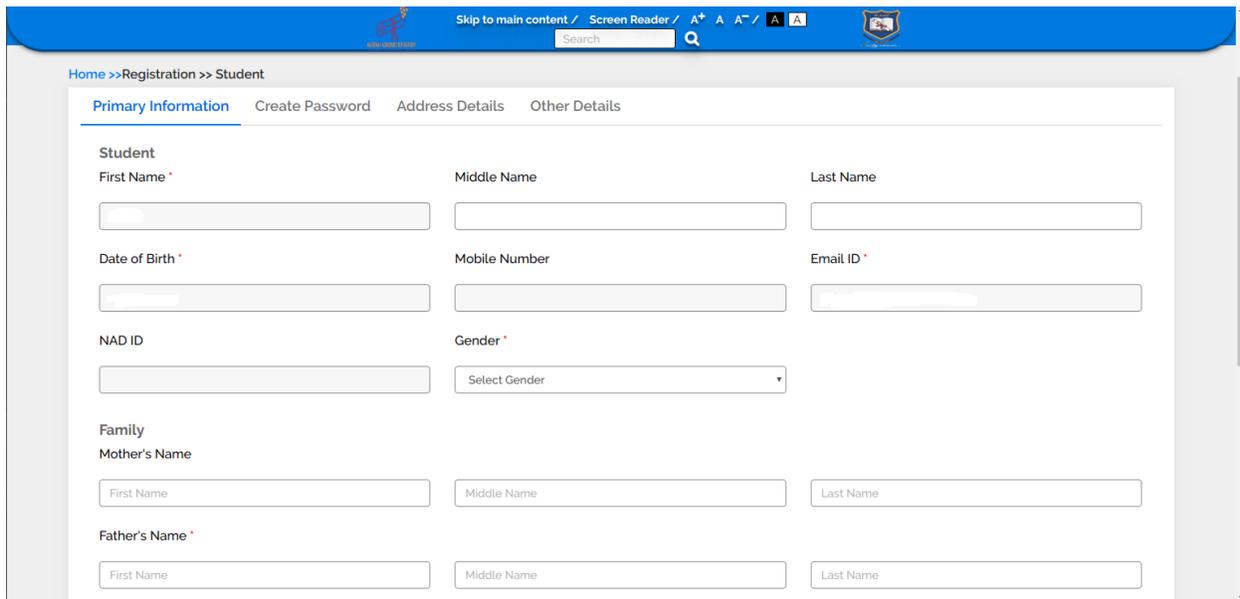

- Name \***: Three input fields for First, Middle, and Last names.
- Mother's Name**: Three input fields for First, Middle, and Last names.
- Date of Birth \***: A date picker field.
- Mobile Number**: An input field with a "Mobile Number" label.
- Email ID \***: An input field.

At the bottom right, there are "Reset" and "Send OTP" buttons. A note at the bottom states: "Multiple registrations of the same user on NAD are not permissible. Please enter valid email address and mobile number (mobile number optional). One-Time-Password will be sent on provided email address and/or mobile."

**Step 6-** Enter OTP (One Time Password) sent on your mobile number/E- Mail id

**Step 7-** Fill the registration form and wait for the approval by the nodal officer and check the E-mail for further instruction.

(i). Fill the Primary Information

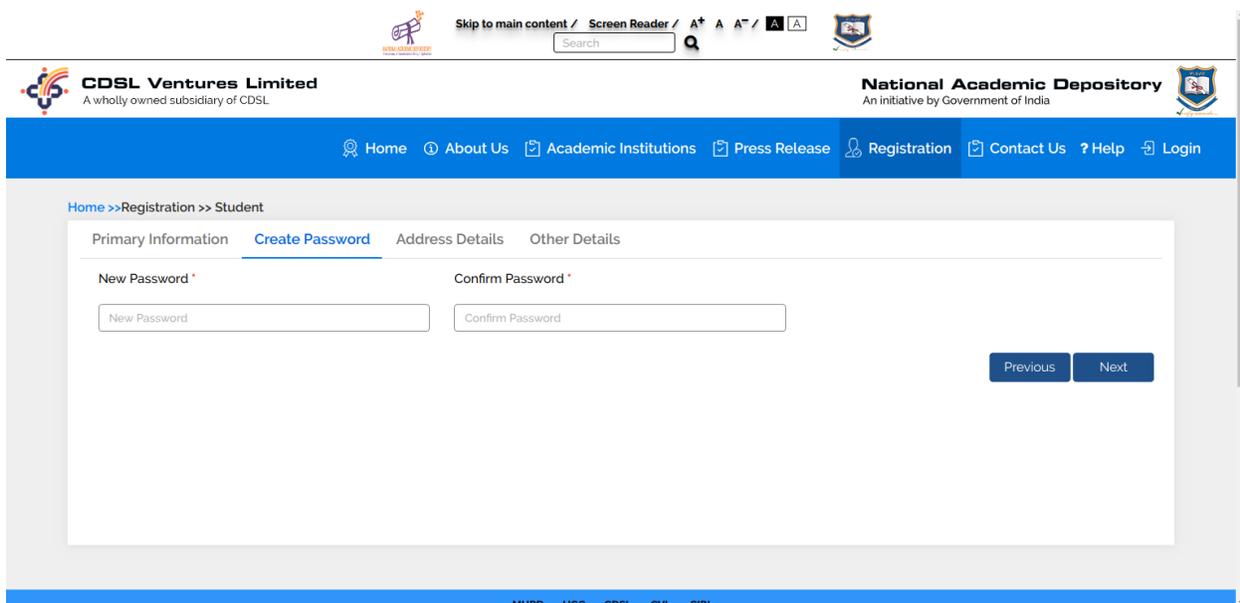

The screenshot shows a web browser interface for a registration form. The page title is "Home >>Registration >> Student". The navigation menu includes "Primary Information", "Create Password", "Address Details", and "Other Details". The "Primary Information" section is active and contains the following fields:

- Student**
  - First Name \*
  - Middle Name
  - Last Name
