Dear Science pursuers

We are pleased to inform you that the Department of Biochemistry, College of Basic Sciences and Humanities, G.B.P.U.A. & T., Pantnagar is organising an one day symposium on “**REINVENTING BIOCHEMICAL NETWORKS FOR NUTRITION AND HEALTH IN POST-GENOMIC ERA**” under the banner of ‘Society of Biological Chemists (India)’ on **5th Oct., 2018**. As Biochemistry is a field of enormous fascination and utility, arising from the need of human welfare, particularly in the area of agriculture and nutrition. It is, therefore, of utmost importance that the cutting edge research activities taking place in our vicinity are discussed amongst the followers of life sciences.

The organizing committee feels enormous delight in extending a warm and cordial invitation to the scientists, teachers and students having interest and working in these areas for their active participation in the symposium.

SCIENTIFIC PROGRAMME

The symposium will have separate sessions on the following thematic areas:

1. Challenges and opportunities in natural resource utilization.
2. Conventional and omics based interventions for nutrition and medicine.
3. System biology and bioinformatics for nutrition and health.
4. Applied techniques / technologies for value addition in farm produce.

ABSTRACT SUBMISSION

Abstracts (up to 250 words) with Title, author(s) name, department and affiliating institute with thematic area using MS word, Times new Roman (Font size 12 in double spaces) should be forwarded to biochemistrsymposium@gmail.com on or before 25th September, 2018.
