

BIS LABORATORY INTERNSHIP SCHEME

(revised w.e.f. 12-08-2024)

1 Objective

Bureau of Indian Standards, the National Standards Body of India, seeks to engage students (Diploma and Undergraduate) as "Interns", who would be given exposure to the laboratory activity of BIS. The Interns would also be required to carry out regular testing of the various products received by BIS Laboratories under different BIS conformity assessment schemes.

The Scheme is envisaged to be mutually beneficial to students and BIS. BIS would benefit in the form of getting fresh thoughts, perspectives and updated technical knowledge from the young generation on the ongoing testing operations and procedures. For the "Interns", the exposure to the functioning of BIS laboratories, testing of products, test methods and procedures, implementation of Laboratory Quality Management System and operation of high-end testing equipment, which would be an add-on in furthering their own career goals in the Industries or International Organizations.

2 Salient Features

2.1 Eligibility

- (i) Internship Scheme can be availed by students enrolled in University/Institution within India (only such Universities which are State promoted or recognized by Association of Indian Universities) pursuing the following levels of course(s) in any of the disciplines given under Appendix A:
 - a. Under graduation (having completed studies at least 4 Semesters)
 - b. Post-Graduation (having completed studies at least 2 Semesters)
 - c. Post Graduate Diploma
 - d. Research Scholars.
 - e. Under Diploma Course
- (ii) Degree/Diploma holders who have completed their studies within the last 180 days are also eligible for internship. (For considering the eligibility of the applicant, the last date of the term of the university/institution of the applicant and the date of submission of internship application by the applicant will be taken for calculation of 180 days)
- (iii) Students pursuing Undergraduate/Post Graduate/Post Graduate Diploma Courses shall have a good academic record and with minimum 75% Marks or Cumulative Grade Point Average (CGPA) of 7.5 out of 10 as on the last semester, whose result has been declared.
- (iv) Research Scholars, shall have a good academic record and with minimum First Division or Cumulative Grade Point Average of 7.5 out of 10 in their Post-Graduation.
- (v) Students/Research Scholars shall be Indian Nationals.

2.2 Duration

The Internship Scheme would be available throughout the year based on the requirements of BIS and the timelines for Internship in the selected Institutions. The duration of Internship shall be for minimum one months to maximum upto six months.

2.3 Stipend

The Interns pursuing Bachelor's degree in Science / Diploma Courses will be provided stipend of Rs. 15,000/- per month and the interns pursuing Bachelor's in Engineering/Technology or Master's degree or higher will be provided a stipend of Rs. 20,000/- per month. The stipend will be calculated on pro-rata basis for each completed week.

2.4 Logistic Support

BIS would provide adequate infrastructure facilities to the Interns at its labs and also proper authorization for carrying out the testing and related activities.

2.5 Attendance

Interns shall be required to have a minimum of 95% attendance out of the actual working days. Loss of attendance due to unforeseen circumstances may be compensated by extension of the Internship for the commensurate number of days, subject to recommendations by the sponsoring Institution and approval by the Head of the concerned BIS Labs. Such extension would however not entitle the Intern for any additional stipend.

2.6 Certificate

Interns who have completed the Internship with minimum 95% attendance and having submitted the Report to the Head of the BIS Lab to which the Intern was attached would be issued Certificate of Internship Appendix B.

2.7 The Internship shall neither be considered as employment for the student nor shall it be considered as an assurance for any employment in BIS.
