

**DEPT. OF MATHEMATICS, STATISTICS AND COMPUTER SCIENCE
COLLEGE OF BASIC SCIENCES & HUMANITIES**

No.: CBSH/MSCS/4593

Dated: 15-03-2024

Dean, COT/ HODs, Mechanical Engg. & Industrial Production Engg.

BIS is starting an interactive **online lecture series titled 'Let us Talk about Standards'** to take the initiative of Education Outreach forward with all the eminent MoU partner Institutes. The objective of the lecture series is to share information with faculties and students on the National Standardization process, department-wise important standards developed and under development, R&D projects on offer and seek the interest of faculties for participation in standardization.

The interactive online lecture series is scheduled on Monday, 18 March 2024 from 1600h to 1730 hrs in the Mechanical Engineering Sector. The detail of the programme along with the link for joining the webinar is attached.

This programme will include discussions on standardization in the following subject areas:

- (a) Overview of standardization process including process changes
- (b) Scope and Programme of Work of the Mechanical Engineering Division Council
- (c) New/important standards developed by the department
- (d) agricultural machinery
- (e) New subjects identified for standardization
- (f) Overview of R&D projects on offer
- (g) Subjects of common interest
- (h) Invite participation through commenting etc.

You are requested to kindly share this with the concerned Faculties, Research scholars and Students of relevant departments and courses to join the online programme.

The weblink for joining the programme is as under:
