DECLARATIONS

I. GBPUAT, PANTNAGAR DECLARES:

- A. Govind Ballabh Pant University of Agriculture and Technology (formerly UP Agricultural University), Pantnagar is the first agricultural university of India. It was established on the pattern of Land Grant Universities of the United States through an Act of Legislature (UP Act XLV of 1958). University came into existence on November 17, 1960. The main purpose of the university is to carry out teaching, research and extension in field of agriculture and other allied sciences. Its chief campus officer is the Vice Chancellor.
- B. In order to achieve its goal university is organized into the College of Agriculture, College of Veterinary and Animal Science, College of Home Science, College of Fishery Science, College of Basic Science and Humanities, College of Technology, College of Agri-business Management and College of Post Graduate Studies.

II. UC DAVIS DECLARES:

- A. That it is one of the nine campuses of the University of California, an institution created by the State of California in 1868 to impart higher education and to plan and carry out research programs for the purpose of the preservation and extension of knowledge, including the awarding of advanced degrees at the M.A., M.S., Ph.D., and professional level. It was created by the Organic Act of 1868, which established it with appropriate judicial and financial support at the State level, and as a Land Grant Institution of the United States under the Morrill Act of 1862. Its chief campus officer is the Chancellor.
- B. That, in order to accomplish its mission, it is organized into the College of Agricultural and Environmental Sciences, the College of Engineering, the College of Letters and Sciences, the Graduate School of Management, the School of Law, the School of Medicine, the School of Veterinary Medicine, Graduate Studies, the Agricultural Experiment Station, and the Agricultural Cooperative Extension.

III. BOTH PARTIES DECLARE:

- A. That the Institutions are united by common interests and objectives in academic, scientific and cultural affairs;
- B. That these Institutions are the ones which, by reason of their essence, ends and objectives are called upon to establish channels of communication that will facilitate intellectual interaction;
- C. That for the reasons above, the Institutions believe it advantageous to promote their academic ties by entering into an academic, scientific and cultural agreement of cooperation;
- D. That, because of mutual benefits to the Institutions in the advancement of graduate research and education through the scholarly educational, scientific, technological and cultural contributions of each, it is appropriate and advantageous to the Institutions to

enter into this Agreement of Cooperation.

CLAUSES

- I. The objective of the present Agreement is to increase the academic, scientific and cultural relations between **GBPUAT, Pantnagar** and **UC Davis** in identified areas where there is mutual interest in establishing specific working Agreements of Cooperation.
- II. Under this general Agreement, cooperative work may be undertaken by subunits of the Institutions. A working agreement between the respective subunits may be executed as an amendment to this general Agreement, and will include:
 - A. Designation of the participating institutional subunits (e.g. Colleges, Schools, Divisions, Departments and Programs);
 - B. Designation of one or more persons in each institution who will serve as program leader(s) for the agreement; and
 - C. General description of the kinds of cooperative work and activities to be undertaken.
- III. For each working agreement, the program leaders will be responsible for developing an annual program plan, including a description of the work and activities to be undertaken and the financial arrangements to support them. The annual program plan will require approval by the chief administrative officer of each Institution or the officer's designated representative.
- IV. The financial stipulations that will apply to the exchange of academic personnel are as follows:

When the researcher or teacher goes to the other Institution at the host Institution's request, the host Institution will be responsible for the international travel costs and living expenses in accordance with its internal regulations. In all other circumstances, the Institution of origin will be responsible for the international travel costs and living expenses incurred. Other financial arrangements relating to such matters as health insurance and tuition will be addressed in specific working agreements.
- V. Access to emergency medical care for researchers, teachers and graduate students will be based on the health care programs available at the host Institution. The cost of medical/health services will be the responsibility of the visiting researchers, teachers and graduate students.
- VI. Each Institution will take steps to:
 - A. Publicize the opportunities available under this Agreement of Cooperation and promote the development of cooperation;
 - B. Assist its subunits, faculty, staff and students with the administrative details of interchange; and,
 - C. Establish a review process for approval and evaluation of programs.
- VII. The Institutions, under the auspices of this Agreement, may jointly sponsor conferences, short courses, regular courses, seminars and symposia, as well as exchange publications and other didactic and research materials.

VIII. The present Agreement is for three (3) years, and it or any of its parts may be modified or terminated by written consent of both parties who will comply with the obligations that might be in effect on the date of termination.

IX. Regularly employed personnel, while involved in this Agreement of Cooperation, remain subject to the rules and regulations of their own Institution in all matters of employment, benefits, medical and life insurance, employee rights, etc.

X. The general Agreement does not, in and of itself, obligate either **GBPUAT, Pantnagar** or **UC Davis** to any financial expenditures not explicit in the above. Such obligations, if any, will be made as part of the specific working Agreements and annual program plans which may be developed under this Agreement. Both parties hereby agree to comply with each and every obligation contained in this document and all those which might be in effect on the date of termination of the Agreement.

XI. Mid-course correction, if any, in the agreement shall be done with mutual consultation.

Having read the present Agreement and being fully aware of the content and scope of each and every one of its clauses, the parties hereby affix their signatures to the present document.

The purpose of this letter of intent is to set an understanding of the parties (WorldTAP-IIA/MSU and GBPUAT) and to define potential areas of collaboration and facilitation functions between the parties. Under the India-U.S. Agricultural Knowledge Initiative (AKI), the WorldTAP program at Michigan State University and GBPUAT intend to collaborate towards Agricultural Capacity Building in the following broad areas.

- Water and Natural Resources Management
- Food Science and Technology
- Animal Husbandry, Dairy, and Veterinary Medicine
- Agricultural Biotechnology and Biosafety
- Food Safety/Food Laws
- Intellectual Property Rights (IPR), Technology Transfer, and Commercialization
- Integrated Pest Management (IPM), Biodiversity, and Sustainable Agriculture
- Marketing, Agribusiness, and Socio-economic Impacts

Handwritten signatures:
J. J. J. R. B. Karim M. Maredia

WorldTAP-IIA/MSU and GPPUAT proposes the following activities:

- Develop joint proposals for collaborative research and training in the above areas.
- Exchange of scientists, students, regulators, policy makers, and administrators in the areas of mutual interest contingent upon the availability of funding and approval of each institution.
- Exchange of information, publications, and training materials in the above mentioned areas.
- Exchange of agricultural related technologies for collaborative research and development through appropriate technology transfer agreements and based on the approval of each institution.
- Organize joint training programs at GBPUAT and facilitate participation in MSU based training, internships and degree programs contingent upon the availability of funding and based on the approval of each institution.

The following mechanisms may be used to deliver need based and tailored programs:

- Short-term training (Short courses)
- Internships
- In country courses, workshops, seminars, and conferences
- Long-term training and degree programs
- Professional exchanges of scientists and policy makers
- Collaborative research
- Agricultural related study tours to the US
- Membership in professional societies and associations
- Technical advice, consultation on agricultural research, policy and management issues
- Information exchange, books, journals, and electronic resources
- Online and distance learning courses.
