1. INTRODUCTION

A. ABOUT UNIVERSITY

After independence, development of the rural sector was considered the primary concern of the Government of India. In 1949, with the appointment of the Radhakrishnan University Education Commission, imparting of agricultural education through the setting up of rural universities became the focal point. Later, in 1954 an Indo-American team led by Dr. K.R. Damle, the Vice-President of ICAR, was constituted that arrived at the idea of establishing a Rural University on the land-grant pattern of USA. As a consequence a contract between the Government of India, the Technical Cooperation Mission and some land-grant universities of USA, was signed to promote agricultural education in the country. The US universities included the universities of Tennessee, the Ohio State University, the Kansas State University, The University of Illinois, the Pennsylvania State University and the University of Missouri. The task of assisting Uttar Pradesh in establishing an agricultural university was assigned to the University of Illinois which signed a contract in 1959 to establish an agricultural University in the State. Dean, H.W. Hannah, of the University of Illinois prepared a blueprint for a Rural University to be set up at the Tarai State Farm in the district Nainital, UP. In the initial stage the University of Illinois also offered the services of its scientists and teachers. Thus, in 1960, the first agricultural university of India, UP Agricultural University, came into being by an Act of legislation, UP Act XI-V of 1958. The Act was later amended under UP Universities Re-enactment and Amendment Act 1972 and the University was rechristened as Govind Ballabh Pant University of Agriculture and Technology keeping in view the contributions of Pt. Govind Ballabh Pant, the then Chief Minister of UP. The University was dedicated to the Nation by the first Prime Minister of India Pt Jawaharlal Nehru on 17 November 1960.

The Campus appears impressive today with its well-tended fields, a network of roads, housing colonies, street lighting, a telephone exchange, hospitals, marketing centres, a water supply section, 6 primary schools and 3 secondary schools. The main campus lies in Udham Singh Nagar district of Uttarakhand at 29 N latitude and 79 E longitude at an elevation of 243.8 m above the mean sea level. This main campus has the area responsibility for the entire Uttarakhand representing plains.

In this context, The **Dean, Student Welfare, G. B. Pant University of Agriculture & Technology, Pantnagar** on behalf of the Vice-chancellor, G. B. Pant University of Agriculture & Technology, Pantnagar intends to initiate a kiosk based refreshment canteen system to GBPUAT residents along with encouraging a healthy lifestyle amongst them. Initially, one kiosk at the central location for demand assessment in GBPUAT with a population of about 10, 000 is planned.

B. ABOUT REFRESHMENT KIOSK

The university intends to provide open space up to **50'x50'** at nominal rent basis for installing refreshment kiosk to serve the students, staff, officers and other residents of this university during day time from 8:30 AM to 8:30 PM. The qualified contractor is expected to build kiosk at his own cost and operate refreshment canteen to provide refreshment items under hygienic conditions following the norms laid by the food and beverage licensing authorities.
